

BRAND & VISUAL GUIDELINES FOR POOL DISTRIBUTOR PARTNERS

WATER.
IT'S BOTH OUR BUSINESSES.
WE ARE PARTNERS,
WORKING TOGETHER TO TAKE
WATER FROM GOOD TO GREAT. HELPING
BUSINESSES AND HOMEOWNERS TO
SAFELY AND SUSTAINABLY ENJOY POOLS.

That's why it's important that every interaction with our brands is consistent - using the same messaging, logo, and design elements.

Consistent, correct, and repeated use of a brand helps build memorability and trust, and increases the likelihood that your customers will return to buy from you.

You, as our partner, play a critical role in advocating Pentair Pool and our product lines. We've created this style guide so that you know how to use and refer to the Pentair Pool brand and the products you sell in your literature, website, and other communication materials,

The guidelines cover the most common forms of partnership branding. Should you have any questions, please don't hesitate to contact your Pentair Pool representative.

Thank you for your support. By using our brands correctly and giving them more visibility, you will help us both grow.

USING PENTAIR POOL ON YOUR COMPANY'S WEBSITE

We encourage you to display the Pentair Pool logo on your website. Plus, by adding links to our website, you can help both of us improve our SEO rankings.

DO:

- Use the full color version of the Pentair Pool logo.
- Only use official logos, trademarks, and product images in relation to our products that have been provided to you, or contact your representative for the correct assets needed.
- Create links to **www.pentair.com/pool**. Use hyperlinks that open a new browser window or tab. For support materials like user manuals and videos, using links directing to our website will ensure access to the most recent materials. And, by adding links, it helps improve SEO rankings for both businesses.
- Design your website to have your own company's look and feel. It should not look like Pentair Pool or Pentair websites.

DON'T

- Use old logos, logos you find in search, or logos that you have created yourself. Contact your Pentair Pool representative for the correct logo assets.
- Use the word "Pentair" or any other one of the Pentair brands or trademarks in your company's web domain URL. Any misuse of Pentair Pool logos and trademarks in a customer web domain is an infringement of Pentair intellectual property.

Important: Highlight Pentair Pool on your company's website.

SOCIAL MEDIA

Social media is an effective tool to grow brand awareness about your own business as well as the Pentair Pool brands and solutions.

There are three main routes for receiving or creating content for your own social media channels:

- **Share posts** from Pentair's own social media pages
- **Receive ready-to-go posts** from your Pentair marketing representative
- **Create your own post** that includes and/or mentions a Pentair solution

Please see the following examples for more details. If you have any questions or need more help, don't hesitate to reach out to your Pentair representative.

Please note: Pentair is a publicly traded company and is subject to securities and disclosure laws, as well as regulations on how, what, and when information about Pentair and any of our companies or brands may be communicated to the public. Therefore we ask the following:

DO: share our official posts, but do not use the photos or videos and claim it as your own business content

DO: respect launch dates of new products; do not share info prematurely

DON'T: make comparative claims (eg "smarter/faster/higher performing") about Pentair products vs competitors' in social media posts. There are regulations for companies like Pentair against making competitive claims without the proper substantiation.

DON'T: use the word Pentair or any Pentair product brand name in your social media handle

Correct: @john-doe-pool-products

Not correct: @john-doe-pentair-pool-products
